### Notice of Lodging of Consent Decree Pursuant to the Clean Air Act

In accordance with Department policy, 28 C.F.R. 50.7, notice is hereby given that a proposed consent decree in *United States v. Barsotti's Inc.* Civil Action No. C-95-20310 RMW (PVG), was lodged on May 10, 1995 with the United States District Court for the Northern District of California. The complaint seeks civil penalties and injunctive relief for violations of the Clean Air Act and National Emission Standards for Hazardous Air Pollutants ("NESHAP") for asbestos. 40 C.F.R. Part 61, Subpart M (1991). The complaint alleges that Barsotti violated the Asbestos NESHAP's Standard for

Barsotti violated 40 C.F.R. 61.145(b) by: (1) Failing to adequately wet the regulated asbestos-containing material ("RACM") during the stripping operation, (2) failing to keep the RACM wet prior to disposal and (3) failing to carefully lower the RACM to the ground to prevent releases of asbestos. The consent decree requires Barsotti to pay a penalty of \$68,000, which will be shared equally with the Monterey Unified Air Pollution Control District, and requires Barsotti to implement an asbestos management program and an asbestos training program if it should engage in future asbestos abatement activities.

The Department of Justice will receive, for a period of thirty (30) days from the date of this publication, comments relating to the proposed consent decree. Comments should be addressed to the Assistant Attorney General for the Environment and Natural Resources Division, Department of Justice, Washington, D.C. 20530, and should refer to *United States v.
